# SELLER'S PROPERTY DISCLOSURE STATEMENT EXHIBIT " \_\_\_\_\_ "

2020 Printing

This Seller's Property Disclosure Statement ("Statement") is an exhibit to the Purchase and Sale Agreement with an Offer Date of \_\_\_\_\_ for the Property (known as or located at: 5904 Hwy 326 Commerce, Georgia, 30530). This Statement is intended to make it easier for Seller to fulfill Seller's legal duty to disclose hidden defects in the Property of which Seller is aware. Seller is obligated to disclose such defects even when the Property is being sold "as-is."

### A. INSTRUCTIONS TO SELLER IN COMPLETING THIS STATEMENT.

In completing this Statement, Seller agrees to:

- (1) answer all questions in reference to the Property and the Improvements thereon;
- (2) answer all questions fully, accurately and to the actual knowledge and belief of all Sellers;
- (3) provide additional explanations to all "yes" answers in the corresponding Explanation section below each group of questions, unless the "yes" answer is self-evident;
- (4) promptly revise the Statement if there are any material changes in the answers to any of the questions prior to closing and provide a copy of the same to the Buyer and any Broker involved in the transaction.

**B. HOW THIS STATEMENT SHOULD BE USED BY BUYER.** Caveat emptor or "buyer beware" is the law in Georgia. Buyer should conduct a thorough inspection of the Property. If Seller has not occupied the Property recently, Seller's knowledge of the Property's condition may be limited. Buyer is expected to use reasonable care to inspect the Property and confirm that is suitable for Buyer's purposes. If an inspection of the Property reveals problems or areas of concern that would cause a reasonable Buyer to investigate further, Buyer should investigate further. A "yes" or "no" answer to a question means "yes" or "no" to the actual knowledge and belief of all Sellers of the Property.

Such farm and forest activities may include intensive operations that cause discomfort and inconveniences that involve, but are not limited to, noises, odors, fumes, dust, smoke, insects, operations of machinery during any 24-hour period, storage and disposal of manure, and the application by spraying or otherwise of chemical fertilizers, soil amendments, herbicides, and pesticides. One or more of these inconveniences may occur as the result of farm or forest activities which are in conformance with existing laws and regulations and accepted customs and standards.</p>

**D. FIXTURES CHECKLIST**

**Directions on HOW TO USE:** It is often unclear what constitutes a fixture which remains with the Property versus personal property which does not remain with the Property. To avoid disputes, Seller shall have the right to remove all Items on the checklist below that are left blank. **THE ITEMS ON THE CHECKLIST BELOW THAT ARE CHECKED OR MARKED SHALL REMAIN WITH THE PROPERTY.** All Items remaining with Property shall include remotes and/or all accessories necessary for use. Unless otherwise indicated, if an Item is left blank, the Seller may remove all of that Item from the Property. The common law of fixtures shall apply to all Items not on this checklist. Seller shall remove all Items left blank below prior to closing or the transfer of possession, whichever is later. Seller shall lose the right to remove those Items not timely removed but shall remain liable for the cost of Buyer having to dispose of such Items provided that Buyer disposes of them within 30 days after Closing. In removing Items, Seller shall use reasonable care to prevent and repair damage to the area where the item was removed.

Items identified as remaining with the Property shall mean those specific Items as they existed in the Property as of the Offer Date. No such Item shall be removed from the Property unless it is broken or destroyed. In the event such Item is removed, it shall be replaced with a substantially identical item, if reasonably available. If not reasonably available, it shall be replaced with a substantially similar item of equal quality and value, or better. The same or newer model of the item being replaced in the same color and size and with the same functions or better shall be considered substantially identical. This section entitled "Fixtures Checklist" shall survive Closing.
