This Seller's Property Disclosure Statement ("Statement") is an exhibit to the Purchase and Sale Agreement with an Offer Date of _____ for the Property (known as or located at: 605 Hartwell St _____ Royston _____, Georgia, 30643 _____). This Statement is intended to make it easier for Seller to fulfill Seller's legal duty to disclose hidden defects in the Property of which Seller is aware. Seller is obligated to disclose such defects even when the Property is being sold "as-is."

A. INSTRUCTIONS TO SELLER IN COMPLETING THIS STATEMENT.

In completing this Statement, Seller agrees to:

B. HOW THIS STATEMENT SHOULD BE USED BY BUYER. Caveat emptor or "buyer beware" is the law in Georgia. Buyer should conduct a thorough inspection of the Property. If Seller has not occupied the Property recently, Seller's knowledge of the Property's condition may be limited. Buyer is expected to use reasonable care to inspect the Property and confirm that is suitable for Buyer's purposes. If an inspection of the Property reveals problems or areas of concern that would cause a reasonable Buyer to investigate further, Buyer should investigate further. D. FIXTURES CHECKLIST

Directions on HOW TO USE: It is often unclear what constitutes a fixture which remains with the Property versus personal property which does not remain with the Property. To avoid disputes, Seller shall have the right to remove all items on the checklist below that are left blank. **THE ITEMS ON THE CHECKLIST BELOW THAT ARE CHECKED OR MARKED SHALL REMAIN WITH THE PROPERTY.** All Items remaining with Property shall include remotes and/or all accessories necessary for use. Unless otherwise indicated, if an item is left blank, the Seller may remove all of that item from the Property. For example, if "Refrigerator" is left blank, Seller may remove all Refrigerators on the Property. This checklist is intended to supersede the common law of fixtures with regard to the items below. The common law of fixtures shall apply to all items not on this checklist. Seller shall remove all items left blank below prior to closing or the transfer of possession, whichever is later. Seller shall lose the right to remove those items not timely removed but shall remain liable for the cost of Buyer having to dispose of such items provided that Buyer disposes of them within 30 days after Closing. In removing items, Seller shall use reasonable care to prevent and repair damage to the area where the item was removed.

Items identified as remaining with the Property shall mean those specific items as they existed in the Property as of the Offer Date. No such item shall be removed from the Property unless it is broken or destroyed. In the event such item is removed, it shall be replaced with a substantially identical item, if reasonably available. If not reasonably available, it shall be replaced with a substantially similar item of equal quality and value, or better. The same or newer model of the item being replaced in the same color and size and with the same functions or better shall be considered substantially identical. This section entitled "Fixtures Checklist" shall survive Closing.
